

Lutheran Mission Society Compassion Place Ministries Miracle of Christmas Ministry

From November 26th through December 7th, St. Peter's Elementary School will be collecting select new adult and children's sized items for families who live week-to-week, struggling to put food on the table and meet basic needs of clean clothing and shelter.

Through the Miracle of Christmas Ministry, we are able to help bring joy to these families on Christmas morning and help insure each family hears the story of our Savior's love for them. Please place your donations in the special box in the school lobby!

We are collecting adult and children's sizes of the following items:
(new items only, please do not wrap the items)

Winter Hats

Gloves & Mittens

Scarves

Pajamas
